The ComputerSearch/Metrodata Alliance

ComputerSearch Payroll Services and Metrodata have partnered to bring affordable, targeted background screening and comprehensive payroll solutions to our valued clients. Through this strategic partnership, Metrodata's industry leading web-based employment/tenant screening, paperless drug screening and electronic I-9/E-Verify services will be offered to ComputerSearch clients while Metrodata clients will be offered a low cost payroll alternative to the large national payroll providers.

About ComputerSearch

ComputerSearch Payroll Services, founded in 1967, is the area's largest locally owned payroll processing service bureau. The company provides payroll, tax filing, time & attendance and employee benefit services to over 2500 client businesses in Western New York and beyond. Their low overhead and streamlined processes allow them to provide payroll services for about half the cost of their national competition.

A Special Offer

ComputerSearch is offering one month of free payroll processing to interested Metrodata clients. For more information please call 716-689-0511 X2123 or e-mail sales@cspayroll.com
